The Products transacted through the Service are licensed, not sold, to You for use only under the terms of this license. The licensor is Basis Design Pty Limited, Australia A.C.N. 112 271 913 ("Basis Design"). Basis Design reserves all rights not expressly granted to You. The Product that is subject to this license is referred to in this license as the "Licensed Application."

a. Scope of License: This license granted to You for the Licensed Application by Basis Design is limited to a non-transferable license to use the Licensed Application on any iPhone, iPad or iPod touch that You own or control and as permitted by the Usage Rules set forth in Section 9.b. of the App Store Terms and Conditions (the "Usage Rules"). This license does not allow You to use the Licensed Application on any iPad, iPod touch or iPhone that You do not own or control, and You may not distribute or make the Licensed Application available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, redistribute or sublicense the Licensed Application. You may not copy (except as expressly permitted by this license and the Usage Rules), decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Licensed Application, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Licensed Application). Any attempt to do so is a violation of the rights of Basis Design and its licensors. If You breach this restriction, You may be subject to prosecution and damages. The terms of the license will govern any upgrades provided by Basis Design that replace and/or supplement the original Product, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

Consent to Use of Data: You agree that Basis Design may collect and use technical data and related information, including but not limited to technical information about Your device, system and application software, and peripherals, that is gathered periodically to facilitate the provision of software updates, product support and other services to You (if any) related to the Licensed Application. Basis Design may use this information, as long as it is in a form that does not personally identify You, to improve its products or to provide services or technologies to You.

You further agree that where You consent to provide Your name, email address or other personally identifiable information to Basis Design through in-app feedback or error reporting forms, in addition to any technical data and related information collected, that Basis Design may use this information to contact You directly about Your enquiry or notify You about relevant product features and updates (if any) in the future.

c. Termination. The license is effective until terminated by You or Basis Design. Your rights under this license will terminate automatically without notice from the Basis Design if You fail to comply with any term(s) of this license. Upon termination of the license, You shall cease all use of the Licensed Application, and destroy all copies, full or partial, of the Licensed Application.
